

Want to do something special this summer?  
Want to join up with other kids that love technology?  
Want to learn about computers, programming and robotics?  
Want to be a part of some robot and gaming competitions?

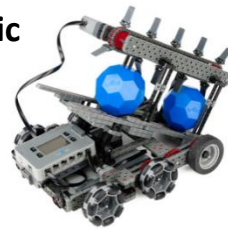

Well, come see what 4-H and TechKnow Clubs of America are doing this summer. TechKnow Clubs of America has teamed up with Hardee County's 4-H to make our Summer Program bigger and better than last year's! We are having another ROBOTICS program starting July 11<sup>th</sup>! The program will last for two weeks with our final night being the ROBO-EXPO competition (July 22<sup>nd</sup>). We will have a limit of 30 seats (15 seats will be reserved for intermediates (11-13) and 15 seats will be reserved for seniors (14-18).

We will meet four days a week for 3.5 hours which will include:

- TechKnow Class / Programming Lab – 1.5 hours
  - We will study various technologies like robotics, programming and technology history (yes we do learn here).
- TechKnow Café – .5 hour
  - food/snacks while watching some cool technology movies and doing some TechKnow Trivia
- TechKnow Lab - 1.5 hours
  - It's time for an hour of Hands-On Programming, Electronics and Robotics (and yes, we'll probably hammer on some video games too; we have quite a few you know)

**WE HAVE MOVED- Our Program will be held in the Hardee County Agri-Civic Center this summer July 11<sup>th</sup>-22<sup>nd</sup>!**

Program Fee: \$150 / Student

(Scholarships are available subject to review process)

Pre-Register Friday July 8<sup>th</sup> in the Hardee County Extension Office.

Confirmed parent approval is required to be a part of this program.

**Note to Parents:** Only games with an ESRB rating of E-Everyone (and below) will be played at TechKnow Clubs of America. **NO OUTSIDE GAMES ALLOWED!**

If you have any questions please call Marissa Alexander at **863-773-2164** or e-mail [mda@ufl.edu](mailto:mda@ufl.edu).
