

Winter Supplementation Seminar

August 11th • 5:00pm

Hardee County Agri-Civic Center • 515 Civic Center Dr.

Wauchula, FL

South Florida pastures can be negatively affected during winter months. It is important to budget for the costs associated with this time of year feed, hay, stockpiled forage, etc. Before you spend the time and money to supplement your cattle, learn the nutrient requirements of your cows and bulls - Are you putting out enough?

****Registration fee is \$10.00 if received by August 5, 2016 (meal included). Late fees apply.****

Agenda

- **Meeting Her Needs Through the Winter** Dr. Matt Hersom
- **Feeding By-Products** Dr. Phillippe Moriel
- **Cost of Winter Supplementation** Chris Prevatt
